To receive recertification credits for a religious formation conference, including our own Diocesan Congress, please use this form to submit your request.

- Review the list of workshops and the areas they target. Choose workshops that will help you in your area of ministry for formation hours; workshops regarding personal spirituality will be credited toward Spiritual Growth hours, unless it is an area of ministry for you. Credit is NOT given as formation hours for Opening Ceremony, liturgies, evening events, Morning Praise, or breaks.
- Use this Re-Certification Form to track your workshops. Write a short summary describing what you learned and how it would be beneficial to your ministry. You must write a clear, concise comment for every question.
- Submit your request within two weeks of the date of the conference.
